Wake & Funeral Catering

Organising catering for a **wake, funeral or memorial service** is often the furthest thing from your mind when you are planning to farewell a loved one.

Innovations understand that the logistics of ordering catering at short notice, but also that estimating the number of guests can be difficult. Let our experienced staff alleviate that stress for you.

We have made the process of ordering catering a simple process with our specific wake menus starting from \$10.00 per person. These menus offer the of ease finger foods that can either be delivered and self-served or you can have our service staff discreetly take care of all of the service elements for you. We are also able to tailor a menu to suit your tastes, budget, venue and dietary requirements.

Innovations Catering not only provides outstanding food and professional staff, we can also organise all your beverage requirements and equipment hire services to take as much pressure away from you as possible.
